

THE EMPLOYEE DEVELOPMENT COMMITTEE INVITES ALL
EMPLOYEES TO A
Brown Bag Lunch

Jillian Chisnell presents:
Book Repair for Circulating Collections

See some examples of damaged books (broken spines, torn pages, loose pages) and a quick demo showing how they would be repaired.

Check out some examples of repaired books.

Learn about:

- Fragile items and the enclosures and binders that can be created.
- Tools & equipment used in the bindery
- The parts of a book

What happens to a book when it is too damaged to circulate?

What is the Collection Maintenance Decision process?
